Donations

Contributions (whatever you feel you can afford) are accepted to help defray planning expenses and as a class gift to McKinley. Please complete the appropriate section on the registration form.

Contacting Classmates

- Share this information with any and all classmates with whom you have contact. Out of 724 graduates, we only have 112 emails on file, and absolutely no contact information for 267 classmates. For the remaining number, we have a mailing address or for some only a telephone number.
- Have classmates call or email me: cell 808-384-2437; email address: ddewitt808@outlook.com.

I do hope that YOU, along with many of our classmates, attend this 50th Class Reunion as this will be our best reunion, and it will only come once in your life time, just like our high school graduation. So come and rekindle your friendship with your classmates from the Class of 1965. It is amazing that you have not seen each other even though many of us live in this small State on the same island. Remember too, that as we grow older, family and friends become even more important in leading and having healthy, productive lives.

So, don't procrastinate. Please complete the attached form and mail it to Sharon Watanabe, even if you decide not to attend this 50th Class Reunion. We will update the information in our database. And we do not share your information with anyone.

Mahalo Nui Loa!
